

Springfield College Sequencing Guide Health Science – Pre-Physical Therapy Major ▼ 2018-2019

If you entered Springfield College in 2018-2019, use this guide for sequencing your courses. Requirements are subject to change and may not be offered when listed. Use your online degree audit to verify your progress, and always confirm your plans with your advisor.

GenEd Requirements, Electives, and College Requirements

In addition to the major requirements listed below, you will need to fill the following General Education (GenEd) categories:

- | | | | |
|----------------------------|------------------------------|-------------------------------|----------------------------------------------------|
| • Wellness - HLTH 100 | • Visual and Performing Arts | • Behavioral/Social Sciences | • Physical Activity |
| • Computing and Technology | • Spiritual and Ethical | • International/Multicultural | • 2 nd Writing Across Curriculum course |
| • Literary Studies | • Historical/Cultural | • Social Justice | |

This major typically requires 65 credits to complete, plus 15 to 18 credits for a required minor. In addition to the GenEd and major requirements listed, you must complete:

- All your undergraduate requirements (including GenEds, your minor, and any necessary electives) to total 106 credits by May of your third year
- Elective credits necessary to total 106 may range from 0 to 10 or more, depending on GenEds and minor selected
- 14 credits from your fourth year will be added to those 106 to total the 120 required for your undergraduate degree
- The residency requirement—60 credits taken at Springfield College (including 15 of your last 30)

Major Requirements – Typical First-Year Schedule

Fall:

ENGL 113, College Writing I (GenEd requirement – 3 cr)
 BIOL 121, Bioscience I (3 cr – also fills Natural Sciences GenEd)
 BIOL 123, Bioscience I Laboratory (1 cr – also fills Natural Sciences GenEd)
 CHEM 121, General Chemistry I (3 cr)
 CHEM 123, General Chemistry I Laboratory (1 cr)
One of the following, based on assessment results (3 cr, also fills Quantitative Reasoning GenEd)
 MATH 125, Precalculus Mathematics
 MATH 131, Introduction to Calculus with Applications
 MATH 140, Calculus I
 Plus other GenEds or major requirements with flexible timing to total 17-18 credits

Spring:

ENGL 114, College Writing II (GenEd requirement – 3 cr)
 BIOL 122, Bioscience II (3 cr)
 BIOL 124, Bioscience II Laboratory (1 cr)
 CHEM 122, General Chemistry II (3 cr)
 CHEM 124, General Chemistry II Laboratory (1 cr)
 Plus other GenEds or major requirements with flexible timing to total 35-36 credits for the year

Fall or Spring:

1 credit of Physical Activity courses

Major Requirements – Typical Second-Year Schedule

Fall:

BIOL 250, Human Anatomy and Physiology I (3 cr)
 BIOL 252, Human Anatomy and Physiology I Laboratory (1 cr)
 PHYS 210, General Physics I (4 cr)
 Plus GenEds, major requirements with flexible timing, or minor requirements to total 17-18 credits

Spring:

BIOL 251, Human Anatomy and Physiology II (3 cr)
 BIOL 253, Human Anatomy and Physiology II Laboratory (1 cr)
 PHYS 211, General Physics II (4 cr)
 Plus GenEds, major requirements with flexible timing, or minor requirements to total 35-36 credits for the year

Major Requirements – Typical Third-Year Schedule

<p>Fall: Classes listed below, other major requirements with flexible timing, GenEds, minor requirements, or electives (if applicable) to total 17-18 credits</p>	<p>Spring: Classes listed below, other major requirements with flexible timing, GenEds, minor requirements, or electives (if applicable) to total 17-18 credits</p>
<p>Fall or Spring: AEXS 313, Physiology of Exercise (3 cr) AEXS 315, Physiology of Exercise Lab (0 cr) <i>Taken concurrently:</i> PHTH 482, The Physical Therapy Professional (2 cr), <i>and</i> PHTH 310, Healthcare Language: Systems, Specialties, Pathologies and Culture (3 cr – also fills half of WAC GenEd), <i>and</i> PHTH 480, Physical Therapy and Healthcare Research Skills (2 cr)</p>	

Additional Major Requirements – Must Be Complete by May of Your Third Year

<p>One of the following: PSYC 101, Introduction to Psychology (3 cr – also fills Behavioral and Social Sciences GenEd) PSYC 135, Personality and Personal Adjustment (3 cr)</p> <p>One of the following: HSRS 325, Biostatistics (3 cr) MATH 215, Probability and Statistics (3 cr) PSYC 211, Introduction to Statistics (3 cr)</p> <p><i>In addition, you must complete an official minor (15-18 credits)</i></p>

Major Requirements – Typical Fourth-Year Schedule (additional courses are also taken for your graduate degree)

<p><i>To help ensure continuation in the DPT program, you should earn a B or better in each of these courses. You must also maintain your minimum 3.0 major and cumulative GPAs.</i></p>		
<p>Summer: PHTH 560, Clinical Medicine and Pathology I – Focus on Orthopaedic Considerations (2 cr)</p>	<p>Fall: PHTH 506, Clinical Human Anatomy I (3 cr) PHTH 507, Clinical Human Anatomy I Lab (0 cr) PHTH 564, Clinical Medicine and Pathology II (3 cr)</p>	<p>Spring: PHTH 508, Clinical Human Anatomy II (3 cr) PHTH 509, Clinical Human Anatomy II Lab (0 cr) PHTH 574, Human Movement Across the Lifespan (3 cr)</p>

HSPT Major – Program Standards

<p>Program standards for the HSPT major, include, but are not limited to:</p> <ul style="list-style-type: none"> • Achieving a minimum 3.000 cumulative GPA by May of your third year • Achieving a minimum 3.000 GPA in your major requirements by May of your third year • Earning a C or better in all undergraduate courses required for the program (400-level and below) • Complying with all departmental standards for professional conduct and academic performance as specified in the <i>Undergraduate Pre-Physical Therapy Student Handbook</i> <p>Meeting additional standards is required to guarantee continuation into the DPT program. For more information about those standards, see the <i>Undergraduate Pre-Physical Therapy Student Handbook</i> or contact your advisor.</p>
