

Request for PrideNet Privileges

User Information

Requestor: _____

ID Number: _____

Department: _____

Date: _____

Requested Privilege

Check one only. Submit additional forms if necessary.

Content Editor - Enables the user to add/edit features on a specific set of pages within PrideNet. Please specify the page(s) below.

Proxy Login - Enables the user to view PrideNet as if logged in as another user.

Administrator - Allows unlimited access to all PrideNet features, including Site Management, Proxy Login, and Content Editing of all pages within the portal.

Please indicate the reason(s) these privileges are needed:

Four horizontal lines for providing reasons for the request.

Signatures

I hereby request additional PrideNet privileges as specified above. I understand that, if granted, these privileges are only to be used in accordance with my job responsibilities, and that any other use of these privileges will result in disciplinary action and/or termination of employment.
